## GRANT COMPETITION ANNOUNCED FOR 21<sup>ST</sup> CENTURY COMMUNITY LEARNING CENTERS

The Nebraska Department of Education is requesting proposals for the 21<sup>st</sup> Century Community Learning Centers 2015 grant competition.

The goal of the 21<sup>st</sup> CCLC program is to establish or expand community learning centers that provide students with academic enrichment opportunities as well as activities that complement the students' regular academic programs.

About \$2 million is available to successful Nebraska applicants who offer services to eligible school buildings where at least 40 percent of the students qualified for free or reduced priced meals as reported on the 2013-14 State of the Schools Report.

Two types of 21<sup>st</sup> CCLC grants are available:

1. First-Time Grants for applicants proposing to serve eligible school building populations that have never been served by a 21<sup>st</sup> CCLC grant, and
2. Continuation Grants for applicants who have successfully implemented 21<sup>st</sup> CCLC programs for five years and who propose continuing those programs to the same eligible school building populations.

Proposals for the grant competition must be postmarked no later than Feb. 2, 2015. The grant application, other information as well as eligibility requirements and funding priorities are available on the Nebraska Department of Education web site at: <http://www.education.ne.gov/21stcclc/>.

A grant writing workshop for First-Time 21<sup>st</sup> CCLC Grants will be conducted Oct. 22, 2014, at 1:30 p.m., at the Nebraska State Office Building, Lower Level, Conference Room B, in Lincoln, and Oct. 30, 2014, at 10:30 a.m. at ESU #10, Conference Room A, in Kearney. Interested individuals are encouraged to attend one of these workshops and to invite representatives of community-based organizations that may work collaboratively with them.
